Meeting Well Handled.

The officials did good work and the rivers, owners and jockeys were given o understand by the strict discipline enorced that there will be no monkeying olerated as long as the present bunch uns the track.

The crowd—which, by the way, was not as large as the class of sport descryed—uppeared to like the gallopers better than hey did the harness races, although Saltake's contingent of harness experts were in hand and said this class of racing was he best ever. But the runners brought both stands to its feet at the finish of each race, and the finishes—well they were all of the thrilling kind. A field of fast runners going at full speed, bunched all the way, under the whip of a set of gaily clad jockeys, is a sight to stir one's sporting blood, and this was what hapened yesterday.

In the third Chester with a safe lead broke at the three-quarters, and before he found his stride. Carr took Amerea to the front and had the race all but won. Coming around the last turn Amerea went up in the air and Chester S, pacing like a machine, came around and down the stretch a winner by two lengths.

The second race was between the C. H. Thompson and J. T. Richards stables of this city, with two horses from each stable. Richards won both first and second place. In the first heat Joe McGregor slipped a forcleg boot and was badly distanced. Osmont could do no better than third in each of the four heats.

Dr. Frasee proved a surprise of this race by beating Alpha W and incidentally trotting the fastest mile ever made in Utah. It was the first heat in 2:15 flat in each heat, but the second Frasee of the way well and was never headed. In the second heat, however, Alpha W nipped Frasee at the wire. MORE OF IT PROMISED TURF SMELTER BOYS BREAK AWAY TO CATCH TRAIN.

There certainly was some racing at the air grounds yesterday. The occasion was the opening day of the Western Circult meeting and Salt Lake never saw better torse racing from the top of the programme to the last event on the card than the mixed events pulled off tyesterlay. Every time the horses circled the rack there was a horse race and they were all of the kind that makes one want to see more of it. While many horses were unknown to the average resident of Zion, those who saw them go were of Zion, those who saw them go were st slow to appreciate the fact that they ould go some.

The day was hot, but the same can be aid of most any other spot around the fity. But in spite of the heat the races were pulled off in quick order and long clays between races were entirely done way with. George Edwards, who started the horses, either has remarkable ability or else got off mighty lucky as every eat was started without scoring some alf a dozen times, which always disgusts be crowd.

VINCENT-NOTTS WIN GAME.

Defeat the Kaysville Aggregation by a Score of 24 to 6.

The Vincent-Nott baseball team journeyed to Kaysville yesterday and defeated the crack organization of Davis county by a score of 24 to 6. The farmers were unable to find "Jib" Romney's choice collection of curves and he succeeded in striking out nine of their heavy stick artists. The feature of the game was the constant bombardment of the shoe dealers who found Day early in the game and hit him often thereafter. Score by innings:

Frasee at the wire. Each heat was close between these two horses.

Crowd Liked the Gallopers.

It was the gallopers, however, that seemed to catch the crowd. The mile run saw a great race between Red Damsel and Jack McGinn for first money. The former was away with the flag and held out beautifully until the three-quarter pole was reached, when Jack McGinn took the lead. This he held to the stretch, when Red Damsel came up on the outside and won out by a nose.

Jockey Russell was fined \$10 for taking Valesgreese wide on the back stretch of the three-quarter mile, carrying Los Angelino, with him. The latter horse had speed enough, however, to right himself and come down the stretch a winner by a laif a length.

TAKE REVENGE FOR DEFEAT

Salt Lake Cricket Club Defeats Ogden Men in Match at Liberty Park.

Sait Lake turned the tables on the Ogden cricketers yesterday and took a trific of revenze for the drubbing administered to them on July 4 at Ogden. The match was played on the Liberty Park grounds and was an admirable exhibition of the English national game. Only one inning was played. The result was: Sait Lake, 31: Ogden, 16. The smallness of the score is attributable to a too wet and consequently slow wicket, and exceedingly fast fielding by both teams, with incidental bowling of a high degree of excellence.

For Sait Lake W. Hoare and Lewthwaite secured double figures, the latter carrying his bat out. Sanders and Davis both did admirable trundling for Sait Lake, while for Ogden Haddenham proved the most dangerous bowler. Twelve men were played. The score: Salt Lake turned the tables on the Og-
